**April Special!**  
**Free Shipping**  
On orders of \$7.00 or more (U.S. orders only - Click here for details)

**More Great Deals:**

- 60 free prints when you join
- Free film developing
- Make screen savers & slideshows - PhotoParade Software only \$9.99
- Don't like uploading? We'll upload for you!
- Low-cost Subscription plans
- Fuji FinePix Camera 2.1MP. Only \$274!

**Only 29¢**

**Print your photos now!**  
You'll pay only 29 cents at dotPhoto for professional prints that cost 49 cents at other sites. (Save almost \$60 a year if you print just 24 pictures a month.) Or upgrade to our Family Plan and pay just 18 cents! Easy digital uploads and free mailers, too! dotPhoto also offers more print sizes and is more economical than an inkjet printer!

**Full Service Image Management**  
You can do more with your images at dotPhoto! Add your own voice, watermark your photos, set prices and sell your photos, e-mail your albums (upload your address book AOL Outlook!), allow others to find and purchase your photos, brand your own album, and even link dotPhoto albums to your web site!

**See a sample album!**  
Click here to see the photographic works of Derek Fell, one of the world's most widely published color photographers. Derek's most recent book Flower & Garden Photography contains over 200 color photographs and helpful how-to's on many aspects of photography. The landscape album shows how you can protect your pictures online with watermarking. Have a photography question? E-mail Derek at [derek@dotphoto.com](mailto:derek@dotphoto.com).

**Tip of the Week**  
Cropping is one of the most confusing issues in digital photography. dotPhoto allows you to set cropping when you place your order. This tip illustrates how photos print when cropping is on or off.
